JOIN US IN RIDING RESPONSIBLY – ENDURO & SUSTAINABILITY IMPACT

DON'T WASTE FOOD

- Buy only what you need, especially for trail snacks and meals.
- Use proper bins for recycling and compost.

WATER IS PRECIOUS –USE IT WISELY

- Refill your bottle.
- Use reusable bottles or hydration packs.
- Dispose of plastic and packaging exclusively in designated recycling containers.

SORT YOUR WASTE –EVEN OFF-OAD

- If no bins are available, carry your waste out. Respect the trails.
- Spill kit mandatory for handling waste oils, fuel, rags—isposed via licensed collectors.

SUSTAINABLE MAINTENANCE

- Use environmental mats under bikes during maintenance or refuelling—at all locations.
- Turn off your engine during breaks to reduce emissions and avoid disturbing wildlife

BIKE WASHING

- Only wash motorcycles at official wash stations with proper drainage.

PROTECT BIODIVERSITY & NATURAL HABITATS

- Stay on marked trails—ever ride through protected areas or sensitive ecosystems.

COMMUNITY, CULTURE & INCLUSION

- Use inclusive language and act respectfully.
- Support and celebrate local culture, food, and traditions.

SUPPORT INCLUSIVITY

- Treat everyone equally—egardless of gender, origin, language, or ability.

ACT WITH FAIR PLAY

- Compete with integrity. Follow the rules, accept penalties when due, and never cheat. Your behavior reflects the spirit of the sport.

LEAD BY EXAMPLE

Whether you're a beginner or a champion, your actions matter. Inspire others by riding clean, speaking respectfully, and protecting the land for future generations.
