Reg. 18 Liability of the Authorities, Organisers and Participants

According to Art. 4 of the General Part of the CTG.

Reg. 19 Rider Conduct and Protection of the Environment

Participants of the FIM Rally are motorcyclist ambassadors for their country and are expected to consider other road users in accordance with Art. 3 of the General Part of the CTG.

Recommendations to Road Users

Show respect on the roads

- Individual motorcyclists should develop riding habits to ensure full integration with other types of road users.
- Ride safely and avoid aggressive and competitive riding.
- Use only routes which are open to motorcyclists.
- Ride like a professional by riding at a quiet and unobtrusive pace when riding in groups.
- Remember that our cities and our roads are not circuits.

Noise annoyance

- Ride politely and limit noise pollution by using your horn only in an emergency.
- Use a standard or another quiet exhaust system and keep audio systems at a low level.

Environmental care

- Save petrol and reduce pollution by avoiding unnecessary idling of engines.
- Respect nature by not travelling on paths which risk being damaged beyond a point of natural recovery.
- Protect wildlife and its natural habitat by riding intelligently.
- Ensure that your used oil, tyres, batteries and other recyclable items are properly recycled.
- Encourage a rational use of fuel and space economy by using motorcycles instead of driving automobiles.
